### SUMMER SCHOOL STUDENT SUCCESS GOALS:

- The estimated time to complete one lesson is 60 minutes. Plan to complete at least **2 to 3 lesson per day per course (as directed by teacher)**.
- Complete all activities and assessments with **passing scores**. If you fail an assessment, you can access an additional attempt to raise your score.
- Students are expected to complete **5% of the course each day, 25% of the course per week**. Make sure to carefully monitor your progress each day.
