

Career + General Electives

Help students explore subjects of interest and develop essential career and life skills

Edgenuity's Career and General Elective courses allow middle and high school students to explore new subjects and plan for exciting careers. Developed in collaboration with industry experts, these online courses offer students exposure to and essential instruction in the fastest-growing industries and jobs.

Offer Edgenuity's online electives as part of an online or blended learning program to help students develop everything from pre-employment skills and a career plan to personal wellness and financial literacy.

COURSE FEATURES

Designed for 6th- through 10th-grade students, Edgenuity's Career and General Elective courses feature:

- Comprehensive hands-on projects with interactive tools to assist students in identifying and exploring their interests and skills.
- Contextual vocabulary support to help students with terms and phrases.
- Performance rubrics and exemplars to aid teachers in grading.
