Real-Time Tutoring for Virtual Students

Empower your students to succeed in secondary core subject areas

The increased flexibility that comes with virtual instruction shouldn’t prevent students from getting extra help when they need it. That’s why Edgenuity® Instructional Services offers Concept Coaches, who are ready to help students whether or not school is in session.

Edgenuity’s expert Concept Coaches are available to students on-demand six days a week and can be reached directly through online chat tools and interactive whiteboards. When students interact with a Concept Coach, they get real-time, one-on-one tutoring in middle- and high-school core subject areas, helping to ensure they understand the material in their courses and can move on to more complex concepts.

CONCEPT COACHES OFFER STUDENTS:

- Individualized help in secondary English language arts, math, science, and social studies courses regardless of whether or not school is in session
- Real-time, on-demand guidance and demonstration of concepts

Concept Coaches are available six days per week, Monday through Friday from 9:00 am to 10:00 pm EST, and Saturday from 11:00 am to 8:00 pm EST. Hours may vary based on student needs.
