

Edgenuity courses can be accessed and completed on Chromebooks. Schools and districts utilizing the Edgenuity system on mobile devices will need to ensure devices meet the minimum system requirements below.

Information within this document contains details on interaction with Edgenuity, including a complete list for compatible and incompatible courses, for these devices.

Edgenuity Minimum System Requirements: Chromebook	
Operating System	Example Devices
Chrome™ OS 35	Acer® Chromebook 15 C910 Dell™ Chromebook 11 Chromebook Pixel
Minimum Bandwidth	
<ul style="list-style-type: none"> ✘ Edgenuity courses run on a web-based platform. Use of school Wi-Fi with an Edgenuity Media Appliance is recommended. ✘ Without access to an Edgenuity Media Appliance, 2 Mbps per concurrent user is recommended when using mobile devices. 	
Compatibility	
<ul style="list-style-type: none"> ✘ A small number of courses require third-party software installation and are not supported on Chromebooks. A list of non-compatible courses is included for your reference within this document. Smart phone and smart watch devices are not supported by Edgenuity. ✘ Secure Station, an Edgenuity feature that allows educators to limit user access to certain computers, utilizes Java® and is not compatible with Chromebooks. ✘ Districts can use the IP Registry feature to regulate which IP addresses are approved to take assessments. Since this feature does not require a Java plugin, it is a mobile friendly solution. 	
<p>PLEASE NOTE: Example devices listed above have been tested to be functional when using Edgenuity. Other devices not listed may be used providing they meet the minimum requirements. Windows based tablets and the Windows RT operating system is fully supported by Edgenuity when using Edgenuity 3000+ series courses. Please reference the Minimum System Requirements document for additional information. Android™ tablet and iPad® minimum system requirements and course compatibility information is located within the Android Tablet and iPad Usage Overview document.</p>	

Compatible Courses for Chromebooks

Edgenuity MyPath and the following Edgenuity courses are fully compatible with Chromebooks.

Advanced Placement®

- AP Calculus AB
- English Language & Composition
- English Literature & Composition
- French Language & Culture
- Spanish Language & Culture
- Environmental Science
- Human Geography
- Psychology
- U.S. History
- World History

Career Electives

- Career Explorations
- Career Planning & Development
- Introduction to Entrepreneurship
- Personal Finance

Career Pathways

- Health Science Concepts
- Introduction to Health Science
- Medical Terminology
- Nursing Assistant
- Pharmacy Technician
